

## NISQUALLY TRIBE DENTAL PROGRAM

In response to COVID19, as of March 18, 2020

- WHAT:** Urgent, dental pain and dental swellings
- WHO:** Nisqually Tribal Members & CHS enrolled that live on Nisqually Indian Tribe Reservation
- WHEN:** Monday – Friday, 8am – 4pm
- HOW:** Call 360-413-2716 for a same day emergency appointment or if you have questions
- WHERE:** Nisqually Tribe Dental Clinic

**Attention:** Please only call for an appointment if it is regarding urgent symptoms such as swelling and/or you are unable to sleep due to a toothache. Due to anticipated challenges with *Personal Protective Equipment*, we would like to use the dental supplies for true dental emergencies to keep our communities members out of the emergency rooms with dental infections, pain and/or swellings.

You may have received calls to cancel, reschedule, or postpone dental appointments that we hope to adjust until conditions improve for everyone. We thank you for your patience and understanding as conditions continue to evolve.
