

## **STAY HOME STAY SAFE**

In support of the current Nisqually Tribe **Resolution 28-2020 STAY AT HOME ORDER**, the Nisqually Health Department is implementing telemedicine video conference calls and/or telephone calls with your Nisqually Health Department primary care providers to help maintain contact options during this time. Established Patients are encouraged to **call 360.459.5312 for a video conference or telephone call** with your medical provider:

**MONDAY – FRIDAY 8:00AM to 5:00PM**

**\*\*Saturday and Sunday 10am-3pm Telephone Appointment with a Nisqually Health provider\*\***

**NOTE: NO NEW PATIENTS AT THIS TIME**

We encourage you to stay home as much as possible. It is important that you are home safe, avoiding activities that can cause injury or risk visits to urgent care or emergency rooms - we need to do our part to conserve hospital space as much as possible.

Please call the clinic at 360.459.5312 to schedule a telemedicine appointment or a visit. Note: COVID 19 status changes daily, keep an eye out for future updates.
