

# Stay Safe Over the Holidays

Nisqually health clinic will be closed @ noon on 11/25 through 11/27. If you have the following symptoms, please get tested! If you are having difficulty breathing please contact emergency services by calling 9-1-1

**Cough-Fever-Chills--Shortness of breath/difficulty breathing—Fatigue—Muscle/body aches—Headache--New loss of taste/smell--Sore throat—Congestion/runny nose—Nausea/vomiting--Diarrhea**

Please notify your primary care provider if you receive testing over the holiday weekend. While waiting for results stay home and away from others to help prevent the spread of COVID-19.
