

# Attention Fireworks Stand participants:

As you know, per Tribal Council Directive, it is required to quarantine after working fireworks unless you are fully vaccinated- this is a covid-19 safety precaution due to current infection rates in our area.

You must be fully vaccinated in order to avoid quarantine requirements. That means it must be 10 days from completing your vaccine series when you begin working firework stands.

**Thurston County has several vaccination opportunities for the J&J THIS WEEK**

**This would be your best opportunity to meet the vaccination requirement.**

**Here are the details:**

Due to high demand for vaccines, we are returning to appointment-based clinics in order to manage traffic and reduce wait times. We will still accept people without appointments as long as we have vaccine doses available, but wait times may be longer for them. Click on any date below to pre-register for a clinic. If you need assistance scheduling an appointment please call our vaccine helpline at 360-867-2610.

- [Thursday, May 27](#) 1pm - 5pm. This is a Johnson & Johnson clinic for ages 18 and older at **Capital Mall, Sephora parking lot**. The clinic is located between Red Robin and the Cinemark movie theatre. **Pre-registration highly encouraged.**
- [Friday, May 28](#) 1pm - 5pm. This is a Johnson & Johnson clinic for ages 18 and older at **Capital Mall, Sephora parking lot**. The clinic is located between Red Robin and the Cinemark movie theatre. **Pre-registration highly encouraged.**
- [Saturday, May 29](#) 1pm - 5pm. This is a Johnson & Johnson clinic for ages 18 and older at **Capital Mall, Sephora parking lot**. The clinic is located between Red Robin and the Cinemark movie theatre. **Pre-registration highly encouraged.**

All minors 12-17 years old must receive parent or guardian consent to receive a COVID-19 vaccine. This can be done in PrepMod when registering for an appointment or at the time of vaccination. Parents or guardians do not have to be present at the time of vaccination if they signed the consent form online during registration. View consent instructions below. **Minors must have a form of ID confirming their name and birthday in order to receive a vaccination - ID card, passport, birth certificate, MyChart profile, Skyward profile, or insurance information are all acceptable forms of ID.**
