

PARENT RECOGNITION NOMINATION FORM

February is Parent Recognition Month

Nisqually Children and Family Services, Workforce Development, Daycare, Head Start, and Youth Services are accepting nominations for parents, which will recognize 5 phenomenal Nisqually parents, caregivers, foster parents, and guardians in February during Parent Recognition Month.

The goal is to recognize Nisqually tribal member parents, caregivers, guardians, foster care parents, and those caregivers that are parenting enrolled Nisqually tribal children for the great contributions they make to the successful upbringing of Nisqually youth.

Please provide us with your nomination and we will provide special recognition to 5 individuals from the Nisqually Tribal Community by awarding them with a **Parent Recognition Award**.

We invite you to nominate a Nisqually parent, caregiver, foster parent, or guardian who is a Nisqually Tribal Member or parent to Nisqually Tribal children. Tell us what you think makes them outstanding parents. We will select 5 nominees- for an award.

Parent Recognition nominations must be submitted by **February 7, 2025**. Nominations can be emailed to feld.rebecca@nisqually-nsn.gov. We will recognize honorees at the Pulling Together for Success dinner on **February 12, 2025**.
